PROFESSIONAL SUMMARY

With comprehensive hands-on experience in Unity game development with a track record in C# programming, I'm poised to contribute effectively to content creation. Notable is the efficiency in coding and bug-fixing and designing that increased engagement significantly and the implementation of an innovative character animation system, showcasing adeptness in problem-solving and technical expertise.

WORK EXPERIENCE

Unity Developer

April 1 2025 - April 1 2026

ITCAN Solutions

Sidon, Lebanon

- Created real-time 3D simulations for an oil company using Unity
- Designed and animated 3D models in Blender.
- Integrated Blender animations and models directly into Unity for seamless in-engine functionality.
- Produced cinematic animations and rendered them into high-quality video outputs for presentations and clients.

Unity Developer

May 2025 - Present

Indie Games Startup

Remote

- Developed gameplay mechanics in Unity, contributing directly to core game features.
- Completed assigned development tasks within specified deadlines in a remote team environment.
- Participated in regular team meetings to review progress, clarify requirements, and plan upcoming sprints.
- Used GitHub for version control, including branching, commits, and submitting pull requests for code reviews

Game Designer and Programmer (Internship)

May 2024 - July 2024

Octopus 8 Studios

England, United Kingdom

- Developed core gameplay features improving accessibility and interactivity.
- Contributed to game design, including mechanics, narrative structure, and dialogue.
- Worked within an Agile Scrum workflow with weekly sprints and assigned tasks.
- Participated in daily stand-ups and sprint retrospectives to improve team efficiency.

EDUCATION

Bachelor of Arts in Game Design

September 2022 - May 2025

Brunel University of London • England, United Kingdom

Foundation in Humanities, Social Sciences and Education

September 2021 - May 2022

Brunel Pathway College • England, United Kingdom

Economics and Sociology Baccalaureate

September 2019 - June 2020

Adventist High School • Beirut, Lebanon

SKILLS & EXPERTISE

Unity • Scrum • C# • Netcode for GameObjects • Blender • Animation • Python • Game Design • GDD • Gameplay Scripting

LANGUAGES

Arabic • English
